MS 15 - F20061

0433251
4571640

From MS 30, follow the trail south to a post.
Stay on the trail as it turns to the right (west).
Cross a creek at a culvert-style bridge.
Walk northwest to an oil well in a clearing.
Stay on the trail and walk past the oil well about 50 meters.
Turn north off the trail and walk about 40 meters to the point.
