

# Nature Preserve

## Classroom Discovery Days

**Teachers** – Bring your class of students for an informative and fun field trip to Cleveland Lakefront Nature Preserve!

**Your students will:**

- ❖ Hike the trails of Downtown Cleveland’s only nature preserve and Audubon IBA (Important Bird Area)
- ❖ Learn about the unique habitats that support many species of wildlife and plants
- ❖ Discover how the land mass was formed
- ❖ Participate in hands on activities at various stations that meet academic content standards
- ❖ Visit the Exploration Station Nature Center

**Who:** Students Grades 3-7 and their teachers
