The Holden Arboretum (www.holdenarb.org)

Take Home a Piece of 'Holden'

Saturday & Sunday, May 2nd and 3rd (availability is limited)

Holden is proud to offer twenty different species this year. Many of the plants have been
propagated from seeds or cuttings from Holden's own wildflower collections and natural areas.
The available cultivars were purchased from responsible native plant nurseries.

The Cleveland Museum of Natural History (www.cmnh.org/site/conservation.aspx)

2009 Native Plant Sale

This spring, the Natural Areas Division of the Museum hosts its second native plant sale for its
members. Several new species are being offered this year, including wafer ash, striped maple,
and rose-shell azalea. Order forms are available on the website. Due date to submit your order
is April 14th.
