Drive south on State Road from Bellus Road 0.6 mile to the Whipp's Ledges Picnic Area road. Drive up the road to the far end of the parking lot.

Walk to the "Authorized Vehicles Only" gravel access road about 20 meters north of the restrooms. Walk up this road for about 200 meters (uphill all the way). Pass an island with a dead beech tree stump on it in the middle of the road. Go about 20 meters more to a beech tree with a blue blaze painted on it. Find the flag in the woodline to the left.

Turn left at the flag and walk west (heading: 280 degrees), almost parallel to the trail on which you came up. Walk about 30 meters to the point near a large beech tree with carvings on it (every beech tree has carvings on it).
