RR 02 – A20071

0431355 4589609

Go approximately ½ mile north of Lorain Bridge.

At sharp Left turn driving north on Parkway, park at narrow pull-off on right side of road immediately after last cement can parking stops.

From last (northernmost) cement parking stop, follow drainage ditch (staying on south side) east into woods 55 meters from road.

Go to large double trunked maple with poison ivy.

Go approximately 20 meters east southeast to point.
